Customer No. 000027683

## IN THE CLAIMS:

Please amend the claims as follows:

A marked up copy of each amended claim pursuant to 37 CFR § 1.121(c)(1)(ii) appears on the page immediately following the amended claim.

1. (Amended) A system comprising:

a server including a script associated with an identifier;

a computer system coupled to the server and including a port; and

a device coupled to the port, the device including the identifier;

the computer system configured to:

read the identifier from the device;

provide the identifier to the server; and

cause a script associated with the identifier to be executed to cause one or more software components to be installed onto the computer system.
